Voting will take place at the conference (annual meeting on Saturday night). If you are the Voting Delegate for your agency, you will be allowed to vote in person at the annual meeting or send a Proxy member. That Proxy member must have a written letter (on agency letterhead) from the Point of Contact or Voting Delegate as to their permission for that Proxy member to vote. Your Proxy Voting authorization letter can also be accomplished by sending your permission, listed above, to 2017election@illinoissar.org. That email address will be monitored and those proxy letters gathered by the election judges. You only may give your Proxy voting privileges to a member of the agency in which the vote is being given. If you choose to vote via email (utilizing this ballot) and not attend the annual meeting, the Voting Delegate may email 2017election@illinoissar.org with their votes, after the nominees are posted on the ISARC website.
